Dear Parent/Guardian,

In partnership with PSI Solutions, Health Heroes, Inc will be offering TDaP & Meningitis vaccination clinics to all the Junior High and High School students this year. These vaccinations are **REQUIRED** for school enrollment by the State of Ohio for the 2016-2017 school year. **The exclusion date for your child to remain in school without these immunizations is September 19th, so please utilize the convenience of these clinics.**

Who should get TDaP and/or Meningitis vaccinations?

- All rising 7th graders (both TDaP & Meningitis vaccinations are required)
- All 12th graders (Meningitis vaccinations are required, 2nd dose)
- Any 8th - 12th students who did not receive these vaccinations in 7th grade

Clinic Date for your school/district is:

- Thursday, Sept 15th, 2016

What does your child/children need to do to participate?

- Parent consent form filled out COMPLETELY and signed (if student requires both, then he/she will need 1 form for each type vaccination)
- Return consent form(s) to your school prior to the due date of Monday, Sept. 12th.

It is very important that you return your consent form(s) to your student's school **no later than September 12th**. This helps us provide sufficient staffing for our teams, as well as secure the vaccine for your student(s).

Who is Health Heroes, Inc.?

At Health Heroes, we specialize in on-site vaccination clinics. Vaccines are provided at **NO COST** to students, parents, schools or local/state government. We bill both Medicaid and private insurance; however, we never bill students or parents for any out-of-pocket expenses or deductibles. Qualifying uninsured students can be given the vaccine, free of charge. Although student participation is voluntary, these vaccinations are required by your state.

If you have additional questions or concerns, please contact Health Heroes at 1-888-621-5520. For further information you can also visit our website at www.healthheroes.us. We hope to see your child in clinic!

Warmest regards,
